

ORDER

Sub: PM- MHO- Constitution of Organ Inspection Team for Animal Birth Control programs in Pondicherry Municipality-Orders issued-Regarding.

Ref: Animal Birth Control Rules, 2023 issued by Department of Animal Husbandry and Dairying, Ministry of Fisheries, Animal Husbandry and Dairying.

In consonance with the provisions of the Animal Birth Control Rules 2023 (under section 17), this Municipality hereby constitute an Organ Inspection Team for verifying the progress of the Animal Birth Control Program of the Implementing agency and count the organs of operated dogs in order to monitoring the Animal Birth Control (ABC) programme for stray dogs in Pondicherry Municipality jurisdiction effectively. The duties and responsibilities are as given below.

Composition of Organ Inspection Team for Pondicherry Municipality:-

Sl.No	Member stipulated by ABC Rules, 2023	Members Nominated for the Organ Inspection Team in Pondicherry Municipality
1.	Chief Veterinary Officer or Any Veterinary Officer authorized by him	The Joint Director (LH), Department of Animal Husbandry and Animal Welfare, Puducherry
2.	Project In-charge Veterinary Officer	Veterinary Medical Officer, Pondicherry Municipality
3.	Representative of the State Board or Society for Prevention of Cruelty to Animals	Member from SPCA, Puducherry.
4.	Representative of any Animal Welfare Organisation	Dr. S. Selvamuthu M/s. Veterinarian Welfare and Animal Aid Society of Pondicherry.

Counting and Disposal of Organs: The reproductive organs removed from male and female dogs shall be stored in 10% formaldehyde at the Animal Birth Control Center.

1. The organs shall be counted by the above said team fortnightly or monthly or as often as decided by the Local Animal Birth Control Monitoring Committee.
2. The organs shall be preserved in separate plastic boxes marked with number of male and female genital organs and date of Surgery.
3. The organ Inspection team shall count all the organs and verify the Progress Report of the Implementing agency for the period in question.

4. The counted organs shall be immediately destroyed in the presence of the organ inspection team, by spraying of tattoo dye and deep burial or incineration. The process of dying and burying the organs shall be video recorded and photographed with the date and time stamp.

5. The State Animal Birth Control Monitoring Committee shall conduct surprise inspection at least once every year in Animal Birth Control Center to ensure adherence to the rules and take necessary action in case of non-compliance.
